# EATING OUT

Hinoki & The Bird is a new Japanese restaurant in Los Angeles. It has got an open kitchen, big windows and a romantic patio for outdoor seating. Indoors, guests can watch the famous chef, Kuniko Yagi, busy at work preparing the many special dishes. One of the most popular starters is the crab toast. It's spicy and very tasty. For the main course, I can recommend the salmon – one of the house specialities. Grilled mushrooms and rice are some of the delicious side dishes.

The restaurant has got a good selection of desserts and the wines are excellent.

There is valet parking and wheelchair access. The restaurant is not recommended for children, so there aren't any booster seats or high chairs available.
